Rationale for Proposed Boundary Changes: The H.D. Woodson HS boundary is made up of the proposed boundaries of the middle schools that are designated to feed geographically into H.D. Woodson.

Proposed Geographic Destination Feeder Schools (Feeder Pathway): Anyone living in the proposed new boundary for Kelly Miller MS is zoned for and has a right to attend H.D. Woodson High School. Any student attending a feeder middle school out-of-boundary has the right to continue in the feeder pattern to H.D. Woodson. Proposed feeder pattern changes were made to better align school building capacity with population and with feeder pattern participation rates and to support racial/ethnic and socio-economic diversity, where possible.

Proposed Programmatic Destination School (Feeder Pathway): McKinley MS is a STEM middle school. Eighth grade students at McKinley MS will have a right to attend Woodson HS in order to continue in a STEM pathway.
